

ALPWISE
INTERNATIONAL LLP

BUILDING FACILITIES MANAGEMENT SERVICES

VIA ROPE ACCESS

SAFE ACCESS. SMART SOLUTIONS. EXCEPTIONAL RESULTS.

When traditional access methods aren't practical, we deliver safe, efficient and cost-effective maintenance for all types of high-rise buildings using IRATA-certified rope access techniques.

SAFE & CERTIFIED

IRATA-certified technicians following global safety standards

COST EFFECTIVE

Reduce costs compared to scaffolding or cranes

RAPID DEPLOYMENT

Quick setup, minimal disruption and faster execution

ZERO FOOTPRINT

No heavy equipment. We keep your premises accessible
